Bankruptcy Case No. 19-12809 (JKS)

**Re: *Recommendation to Accept Debtors' and Official Committee of Unsecured
Creditors' Joint Combined Plan of Liquidation and Disclosure Statement Pursuant to
Chapter 11 of the Bankruptcy Code***

Dear Unsecured Creditor:

The Official Committee of Unsecured Creditors (the "Committee") of the above-captioned debtors and debtors in possession (the "Debtors"), urges you to vote to **ACCEPT** the enclosed *Debtors' and Official Committee of Unsecured Creditors' Joint Combined Plan of Liquidation and Disclosure Statement Pursuant to Chapter 11 of the Bankruptcy Code* (the "Plan") by completing the enclosed Plan ballot and returning it to the Debtors' Notice and Claims Agent, Donlin Recano ("Donlin"), pursuant to the instructions indicated in the ballot.

The Committee's members are: (i) IAM National Pension Fund; (ii) AAA Cooper Transportation; (iii) Landstar Transportation Logistics, Inc.; (iv) Superior Distributors Co., Inc.; and (v) Guttman Oil Co. Landstar Transportation Logistics, Inc. is the Committee's chair. The Committee has met regularly by conference call and electronic mail as investigations and events in the bankruptcy have unfolded since the cases filed early this year. The Committee's

bankruptcy counsel are Elliott Greenleaf, P.C. and Lowenstein Sandler LLP and its financial advisors are CohnReznick Capital Market Securities, LLC.

New England Motor Freight, Inc. was the main operating entity of the Debtors and NEMF World Transport, Inc.; Apex Logistics, Inc.; Jans Leasing Corp.; Myar, LLC; MyJon, LLC; and NEMF Logistics, LLC were either not operating or were consolidated into the NEMF operations because they had de minimis assets or operations (“NEMF”). Eastern Freight Ways, Inc. and Carrier Industries, Inc. (“Eastern/Carrier”) were also entities with significant operations and were sold as a going concern to Estes Express Lines during the bankruptcy. Creditors with claims in NEMF are both general unsecured creditors, with claims estimated to be \$12.3 to \$15.3 million, and the Debtors’ lenders’ significant deficiency claims from vehicle and equipment financing against NEMF in the amount of \$33.2 million. Creditors with unsecured claims against the Eastern/Carrier estates consist of \$524,024 of general unsecured claims and \$77.9 million in unsecured guarantee claims held by the Debtors’ lenders against the Eastern/Carrier assets pledged on behalf of the NEMF vehicles and equipment financing.

The Plan provides for a sharing of both the costs to achieve the recoveries as well as an equitable sharing of the proceeds from those recoveries. The Plan is the product of compromise and balance, so that on the one hand, the NEMF Debtors and, on the other hand, the Eastern/Carrier Debtors, can both equitably share in the recovery from several significant asset sales and settlements that the Debtors and the Committee achieved during the bankruptcy. The mechanism used to reach that balance is known colloquially as a “Two Pot Plan.” The Plan, consolidates the estates of New England Motor Freight, Inc.; NEMF World Transport, Inc.; Apex Logistics, Inc.; Jans Leasing Corp.; Myar, LLC; MyJon, LLC; and NEMF Logistics, LLC into one “Pot.” The Plan also consolidates the Eastern Freight Ways, Inc. and Carrier Industries, Inc. estates into the other “Pot.”

During the cases, the Debtors, with the assistance of the Committee, recovered proceeds from the liquidation of vehicles and equipment owned by NEMF and recovered proceeds from the going concern sales of the Eastern and Carrier entities. Significantly, the Committee, with the assistance of the Debtors, also concluded negotiations with the owners of the Debtors, the equity holders and several related entities, which has resulted in a \$6.1 million settlement which will be paid by the equity holders and related entities, inclusive of a \$500,000 payment to a liquidating trust, which trust will be responsible for pursuing causes of action and making the remaining distributions to creditors after the Plan is approved. The Committee was also able to secure a waiver of distribution of unsecured claims held by the equity holders and their its affiliates in the amount of over \$11.8 million. While these are not the only significant recoveries in the bankruptcies, these were the most significant recoveries.

As required by the Bankruptcy Code, the Plan classifies claims and interests in various classes according to their right to priority. All unsecured creditors for NEMF are included in Class 5 (Class 5A general unsecured and Class 5D lender deficiency claims) in the consolidated NEMF estates. NEMF Class 5A and 5D are treated as impaired under the Plan and are entitled to vote to accept or reject the Plan. Holders of Class 5A (approximately \$12.3 to \$15.3 million) and 5D (approximately \$33.2 million) allowed claims in NEMF will be paid from the Liquidating Trust’s assets, which will manage the NEMF “Pot” on a pro rata basis and the Liquidating Trust’s expenses will be capped at \$500,000, unless required by law. Both NEMF

Class 5A and 5D have an **estimated 7-11% recovery for general unsecured creditors under the Plan.**

All unsecured creditors for Eastern/Carrier are included in Class 5 (Class 5A general unsecured and Class 5D lender deficiency claims) in the consolidated Eastern/Carrier estates. Eastern/Carrier Class 5A and 5D are treated as impaired under the Plan and are entitled to vote to accept or reject the Plan. Holders of Class 5A (approximately \$524,024) and 5D (approximately \$74.6 million) allowed claims in Eastern/Carrier will be paid from the Eastern /Carrier “Pot” by a plan administrator or disbursing agent.

Both Eastern/Carrier Class 5A and 5D have an **estimated 3-7% recovery for general unsecured creditors under the Plan.**

If the entire estate were to be consolidated, so that only one “Pot” existed, the lender’s deficiency and guarantee claims would receive less recovery. While there were strong arguments for the substantive consolidation of the entire Debtors’ estates into one estate, the Committee owes a fiduciary duty to all of the unsecured creditors, including lenders with unsecured claims, and after consultation with the Debtors and the lenders, agreed to be a Plan sponsor for a “Two Pot” Plan. It also weighed heavily on the Committee that a substantive consolidation would have to be the product of a successful litigation and that the costs and risks associated with that litigation were not worth pursuing, if a settlement could be reach instead, which produced more certainty in terms of outcome and costs.

Furthermore, the Committee in consultation with the financial professionals of the Committee and Debtors agree that **a chapter 7 liquidation**, as an alternative to the Plan would result in an estimated **recovery of 2.32%**, as opposed to the significantly higher estimated distributions from the “Two Pot Plan” negotiated by the Committee, Debtors, and the Debtors’ secured lenders, which are detailed above.

Finally, the Plan provides for Holders of Auto Liability Claims (Class 5B) to be resolved outside of the Plan process. Although Class 5B claims shall not receive any recovery under the Plan, they shall be entitled to receive up to 100% of the agreed upon, settled or judgment value of their claim through the Auto Liability Claims Protocol, whereby the Debtors’ applicable insurance carriers have agreed to assume administration of Auto Liability Claims.

It is the opinion of the Committee that the Plan’s treatment of Class 5A, 5B and 5D is fair, reasonable, and in the best interest of the unsecured creditors. **Accordingly, the Committee recommends that all unsecured creditors vote to ACCEPT the Plan by completing the enclosed plan ballot and returning it to Donlin via E-Ballot, first-class mail, overnight courier, or personal delivery as indicated in the ballot ON OR BEFORE December 18, 2019 at 4:00 p.m. (ET).**

Before you cast your ballot, you should review the Plan, the Disclosure Statement and the exhibits to the Disclosure Statement in their entirety, and you may wish to consult your own legal and financial professionals.

Further, this release shall not release potential claims that may arise from future transactions and occurrences between the parties. This release shall be effective only upon (i) payment in full of the Cash Payment, (ii) the repayment of any distribution in respect of Pledged Claims referenced in Section 5 of the Equity Holders and Affiliates**

Settlement, and (iii) the assumption of debt referenced in Section 4 of the Equity Holders and Affiliates Settlement.

Certain terms in the Releases in Article X(B)(2) are defined in the Joint Combined Plan and Disclosure Statement as follows:

Equity Holders and Affiliates: means all Persons and Entities identified as the Debtors' equity holders, officers, directors, lessors and affiliates who are listed in the Settlement Agreement and Mutual Release by and among said parties and the Debtors on behalf of themselves, their estates and any successors, the Committee on behalf of itself and any successors, which Settlement Agreement and Mutual Release is attached to the Joint Combined Plan and Disclosure Statement and incorporated therein as Exhibit D.

INTRODUCTION

WHAT IS THIS DOCUMENT? This document contains (and constitutes) a “Summary of the Auto Liability Claims Protocol” contained in the Joint Combined Plan of Liquidation and Disclosure Statement (as may be amended, supplemented, or modified, the “**Combined Plan and DS**”) filed by debtors New England Motor Freight, Inc. and certain affiliates² (the “**Debtors**”) and the Official Committee of Unsecured Creditors appointed in the Debtors’ Chapter 11 Cases (the “**Committee**,” and with the Debtors, collectively, the “**Plan Proponents**”) pending in the United States Bankruptcy Court for the District of New Jersey (the “**Bankruptcy Court**”). It is prepared specifically for persons or entities (“**Auto Liability Claimants**”) who hold, may hold and/or have asserted claims against one or more of the Debtors for personal injury or property damage, whether arising before or after the Petition Date, relating to or arising out of motor vehicle accidents relating to the Debtors’ commercial trucking and transportation operations (“**Auto Liability Claims**”), which are covered by or subject to the Debtors’ Excess Indemnity Contracts (as defined below). Auto Liability Claims are classified under Class 5B in each of the two substantively consolidated Estates set forth in the Combined Plan and DS.

WHAT IS THE PURPOSE OF THIS SUMMARY? The purpose of this Summary is to provide Auto Liability Claimants with an abridged summary of the terms of the Auto Liability Claims Protocol contained in the Combined Plan and DS that will govern the resolution and payment, if applicable, of their Auto Liability Claims.

WHAT DO I NEED TO DO WITH THIS SUMMARY? You should review this Summary, the Combined Plan and DS, including, but not limited to, Sections II.B(f), IV.B, VI.B and X of the Combined Plan and DS, the Auto Liability Claims Protocol Settlement Agreement attached as Exhibit C to the Combined Plan and DS (and any additional information you find helpful), and comply with the terms of the Auto Liability Claims Protocol in a timely manner. Failure to comply with the terms of the Auto Liability Claims Protocol will result in you being unable to liquidate your Claims and/or receive any distribution, if applicable, from the Debtors’ insurers on account of such Claim(s).

WHERE CAN I GET A COPY OF THE COMBINED PLAN AND DS AND MORE INFORMATION ABOUT THE COMBINED PLAN AND DS? To obtain copies of the Combined Plan and Disclosure Statement and other Plan-related documents, you may: (a) download electronic copies at no charge through the Case Website, <https://www.donlinrecano.com/Clients/nemf/Index>, maintained by Claims and Balloting Agent; (b) at no charge by writing to the Claims and Balloting Agent at nemfinfo@donlinrecano.com; (c) by calling the Claims and Balloting Agent at (866) 416-0554; or (d) for a fee on the Bankruptcy Court’s website (<http://www.njb.uscourts.gov>). ² The Debtors in the chapter 11 bankruptcy cases (the “**Chapter 11 Cases**”) and the last four digits of each Debtor’s taxpayer identification number are as follows: New England Motor Freight, Inc. (7697); Eastern Freight Ways, Inc. (3461); NEMF World Transport, Inc. (2777); Apex Logistics, Inc. (5347); Jans Leasing Corp. (9009); Carrier Industries, Inc. ARTICLE I

RELEVANT BACKGROUND INFORMATION

A. Overview of the Debtors

Prior to the February 11, 2019 (the “**Petition Date**”), the Debtors offered a broad range of commercial transportation services. Debtor New England Motor Freight, Inc. (“**NEMF**”) was a leading less-than-truckload (“**LTL**”) carrier with a focus in the Mid-Atlantic, Midwest and Northeast United States. NEMF also offered LTL services to its customers across the United States and Canada through a number of partnerships and interline carrier arrangements with other LTL providers. In addition to the LTL business, the Debtors provided truckload (“**TL**”) services through Debtor Eastern Freight Ways, Inc. Debtor Jans Leasing Corp. was a trucking equipment lessor, Debtor Carrier offered dedicated third party logistics services, Debtor Apex Logistics offered transportation brokerage services, and Debtor NEMF World Transport, Inc. provided non-vessel operation common carrier operations between the United States and Puerto Rico. Additional information regarding the Debtors’ businesses is set forth in the Joint Combined Plan and DS.

B. Debtors’ Trucking Fleet Excess Indemnity Contracts

The Debtors’ commercial trucking and transportation operations are insured, *inter alia*, through certain excess indemnity contracts. All Auto Liability Claims subject to this Summary related to Debtors’ various insurance contracts with United States Fire Insurance Company (“**U.S. Fire**”) or Protective Insurance (“**Protective**”), and together with U.S. Fire, “collectively, the “**Insurers**”). The various insurance contracts are identified on **Exhibit A** to the Auto Liability Claims Settlement Agreement (the “**Excess Indemnity Contracts**”) which is attached to the Combined Plan and DS as **Exhibit C**. While the terms and provisions contained in each of the Excess Indemnity Contracts speak for themselves and govern the obligations of the parties to each such contract, the Debtors represent that the terms and conditions are materially the same across all of the Excess Indemnity Contracts. Under each of the Excess Indemnity Contracts, the Debtors have a self-insured retention amount of \$500,000.00 (the “**Self-Retention**”) that applies to each claimed occurrence. The Insurers are obligated to indemnify one or more of the Debtors for amounts paid by the Debtors on a per occurrence basis above the Self-Retention.

In order to guarantee the Debtors’ obligations to the public for the payment of Auto Liability Claims within the Self-Retention (and above, up to \$1,000,000 “for each accident”), both Insurers filed surety bonds and certificates with federal and state regulatory agencies and others (the “**Surety Bonds**”). In exchange for the

foregoing surety obligations, the Debtors executed various collateral and indemnity agreements with the Insurers providing for the Debtors' indemnification of the Insurers for payments pursuant to the terms and conditions of the Surety Bonds because of the Debtors' inability or refusal to make such payments. As collateral to secure the Debtors' Self-Retention and potential indemnification obligations, the Debtors caused letters of credit to be issued in favor of Insurers. After the Petition Date, both Protective (in the amount of \$9,539,000) (the "**Protective LC Proceeds**") and U.S. Fire (in the amount of \$2,450,000) (the "**U.S. Fire LC Proceeds**," and collectively with the Protective Auto Liability LC Proceeds, the "**Auto Liability LC Proceeds**") drew down on their respective letters of credit and are currently holding such funds.

Historically, the Debtors managed the administration and payment of Auto Liability Claims primarily in-house. Given the Debtors' bankruptcy and the wind-down of their businesses, the Debtors can no longer administer such claims.

C. The Chapter 11 Cases

a). *General*

Prior to the Petition Date, several factors severely impacted the profitability of the Debtors' businesses, ultimately prompting the liquidity crisis that dictated the Debtors' decision to commence the Chapter 11 Cases in order to conduct an orderly liquidation of their assets. While the Debtors' operations were profitable for decades since the current ownership group acquired NEMF in 1977, the Debtors suffered a downward trend over recent years, which was exacerbated in late 2018 by the unexpected loss of key accounts, the shortage of drivers, a new Union contract with onerous retroactive terms, and the L/C Lenders' ultimate unwillingness to restructure the Debtors' letters of credit obligations under terms acceptable to the Debtors. Changes and competition within the industry had an ongoing negative impact on the Debtors' revenues. Most of the LTL companies competing with the Debtors operate under non-unionized conditions. At the same time, there has been an industry-wide shortage of drivers, which put the Debtors, with an aging fleet of vehicles, at a severe disadvantage. While the Debtors made extensive efforts to reduce costs and re-focus business, such efforts were not enough to effectively reduce losses and stave off a bankruptcy filing. As such, on February 11, 2019, the Petition Date, the Debtors each filed a petition for relief under chapter 11 of Title 11 of the United States Code in the Bankruptcy Court, which are jointly administered pursuant to Rule 1015(b) of the Federal Rules of Bankruptcy Procedure as *In re*; *New England Motor Freight, Inc. et al.*, Case No. 19-12809-JKS.

Pursuant to Section 1102(a)(1) of the Bankruptcy Code, on February 21, 2019, the Office of the United States Trustee for Region Three (the "U.S. Trustee") appointed the a five-member official committee of unsecured creditors (the "**Creditors' Committee**") [Docket No. 138] as the representative of the Debtors' unsecured creditor constituency in the Chapter 11 Cases. Since its formation, the Creditors' Committee has participated in virtually every aspect of the Chapter 11 Cases. Since the commencement of the Chapter 11 Cases, the Debtors and the

Creditors' Committee has work to liquidate all of the Debtors' assets in order to maximize distribution to the Debtors' creditors.

On May 1, 2019, the Bankruptcy Court entered the Order Establishing Bar Dates and Procedures and Approving the Form and Manner of Notice Thereof [ECF No. 519], establishing June 18, 2019 at 5:00 p.m. as the deadline for holders of general unsecured claims against the Debtors' estates arising prior to the Petition Date, including Auto Liability Claims, to file proofs of claim in the Chapter 11 Cases (the "**General Bar Date**"). Additionally, on June 12, 2019, the Debtors filed a motion to establish a special administrative claims bar date for holders of Auto Liability Claims arising after the Petition Date through and including April 9, 2019. The Bankruptcy Court granted that motion and established August 12, 2019 at 5:00 p.m. (prevailing Eastern Time) (the "**Special Administrative Claim Bar Date**") as the deadline for any person or entity holding or asserting an Auto Liability Claims which arose from the Petition Date through April 9, 2019 to file proofs of claims in the Chapter 11 Cases. **Holders of Auto Liability Claims who failed to file a proof of Claim against the Debtors on or prior to the General Bar Date or the Special Administrative Claim Bar Date, as applicable, shall have their Auto Liability Claims disallowed.**

b). *Litigation and Negotiation Relating to Auto Liability Claims*

On the Petition Date, there were approximately 73 active lawsuits involving Auto Liability Claims with loss dates since 2014 pending against the Debtors (with approximately 63 of those lawsuits having a driver formerly employed by the Debtors named as a co-defendant) in state and federal courts across multiple states (the "**Auto Liability Actions**"). Approximately 227 proofs of claim were filed which could be characterized as Auto Liability Claims, which includes claims related to the Auto Liability Actions.

On March 14, 2019, the Debtors commenced an adversary proceeding in the Bankruptcy Court (the "**Auto Liability Injunction Action**") seeking a preliminary injunction enjoining the continuation or commencement any action against any of the Debtors' employees and/or former employees who may be individually liable for Auto Liability Claims (collectively, the "**Drivers**"), including the Auto Liability Actions, and/or extending the automatic stay to protect the Debtors' estates on account of possible indemnity claims the Drivers may possess against the Debtors if judgment is entered against a Driver in any Auto Liability Action. On April 16, 2019, the Court entered a temporary restraining order in the Auto Liability Injunction Action staying the Auto Liability Actions (the "**TRO**"), and directing the parties, including the Insurers and an ad hoc group of counsel representing holders of Auto Liability Claims, to meet and confer regarding a consensual protocol to govern the orderly resolution of all Auto Liability Claims. The Court subsequently extended the TRO, with the consent of the parties—including the Insurers and an ad hoc group of counsel representing holders of Auto Liability Claims—while those discussions continued, including through the General Bar Date on June 18, 2019, and the Special Administrative Claims Bar Date applicable to certain Auto Liability Claims (defined below) arising after the Petition Date. The TRO is currently in effect through

November 5, 2019 and the Debtors will seek an extension through confirmation of the Combined Plan and DS.

Since that time, the Debtors and the Creditors' Committee worked with the Insurers and the ad hoc group of counsel representing holders of Auto Liability Claims to reach a consensus on the procedures to be used for the resolution of Auto Liability Claims. The Insurers and the Debtors have disagreed on several issues relating to, among other things, coverage of the Debtors' Self-Retention from the Auto Liability LC Proceeds with respect to holders of Auto Liability Claims who did not file a proof of claim in the Chapter 11 Cases, defense of the Drivers in connection with Auto Liability Claims, and the Insurers' obligation to manage, administer, and/or defend Auto Liability Claims within the Debtors' Self-Retention.

To resolve the disputes and issues that exist among the Insurers and the Debtors, including with respect to certain proofs of claim filed by the Insurers, the applicable Excess Indemnity Contracts, Surety Bonds, and/or other collateral and indemnity agreements, and in order to avoid potentially high litigation costs (that would diminish the Auto Liability LC Proceeds), uncertainty, and delay of any and all possible legal proceedings, the Plan Proponents and the Insurers agreed to the salient terms of the Auto Liability Claims Settlement Agreement. The Settlement Agreement is dependent and contingent upon entry of a final and non-appealable order of the Bankruptcy Court confirming the Combined Plan and DS, which incorporates the terms of the Auto Liability Claims Settlement Agreement.

D. The Joint Combined Plan and DS

On October 21, 2019, the Debtors and the Creditors' Committee (the "**Plan Proponents**") filed the Combined Plan and DS [ECF No. 932].³ The Combined Plan and DS, among other things, provides for the satisfaction of claims against and interests in the Debtors through, among other mechanisms, a pro rata distribution of the proceeds of the Debtors' orderly liquidation of assets. Specifically, with respect to holders of Auto Liability Claims, the Combined Plan and DS classifies the Holders of such claims in Class 5B (Auto Liability Claims). Holders of Auto Liability Claims are impaired under the Combined Plan and DS and therefore, are entitled to vote to accept or reject the Plan. As such, enclosed with this Summary of the Auto Liability Claims Protocol, is the Ballot for you (Holders of Auto Liability Claims) to vote to accept or reject the Combined Plan and DS.

The Combined Plan and DS also provides for the satisfaction and payment of Auto Liability Claims through the Auto Liability Claims Protocol described in Article II.C.12 of the Combined Plan and DS. Under the Combined Plan and DS, there are two consolidated groups of Debtors, the Consolidated NEMF Debtors and the Consolidated Eastern Debtors. Holders of Auto Liability Claims are classified under Class 5B in each consolidated estate. As noted above, the Auto Liability Protocol resulted from the discussions among the Plan Proponents, the Insurers and the ad hoc group of counsel representing holders of Auto Liability Claims and is memorialized

³ The Plan Proponents subsequently filed amended versions of the Combined Plan and DS.

in the Auto Liability Claims Settlement Agreement between the Plan Proponents and the Insurers attached as **Exhibit C** to the Combined Plan and DS.

The Combined Plan and DS serves as and is deemed a motion for entry of an order by the Bankruptcy Court approving the Auto Liability Claims Protocol. A hearing to consider approval of the Combined Plan and DS, including approval of the Auto Liability Claims Protocol, by the Bankruptcy Court is currently scheduled for **January 14, 2020 at 11:00 a.m.** (Prevailing Eastern Time) (the “**Confirmation Hearing**”). Any objection to the approval by the Bankruptcy Court of the Auto Liability Claims Protocol or the Combined Plan and DS must be in writing and filed with the Bankruptcy Court by **January 6, 2020 at 4:00 p.m.** (Prevailing Eastern Time).

THE FOLLOWING SUMMARY OF CERTAIN PRINCIPAL PROVISIONS OF THE JOINT COMBINED PLAN AND DISCLOSURE STATEMENT IS QUALIFIED IN ITS ENTIRETY BY REFERENCE TO THE JOINT COMBINED PLAN AND DISCLOSURE STATEMENT, WHICH IS ALSO SEPARATELY FILED. THE STATEMENTS CONTAINED IN THIS SUMMARY DO NOT PURPORT TO BE PRECISE OR COMPLETE STATEMENTS OF ALL THE TERMS AND PROVISIONS OF THE JOINT COMBINED PLAN AND DISCLOSURE STATEMENT OR DOCUMENTS REFERRED TO THEREIN, AND REFERENCE IS MADE TO JOINT COMBINED PLAN AND DISCLOSURE STATEMENT AND TO SUCH DOCUMENTS FOR THE FULL AND COMPLETE STATEMENTS OF SUCH TERMS AND PROVISIONS. IN THE EVENT OF ANY DISCREPANCY BETWEEN THIS SUMMARY AND ANY PROVISION OF THE JOINT COMBINED PLAN AND DISCLOSURE STATEMENT, THE JOINT COMBINED PLAN AND DISCLOSURE STATEMENT OR ORDER CONFIRMING THE JOINT COMBINED PLAN AND DISCLOSURE STATEMENT WILL CONTROL

ARTICLE II

AUTO LIABILITY CLAIMS PROTOCOL

Under the terms of the Auto Liability Protocol:

- 1. Insurers’ Assumption of Administration.** Upon the Effective Date of the Combined Plan and DS, the Insurers shall assume from the Debtors the sole right and obligation to administer all Auto Liability Claims, including the obligation to investigate, defend (including the selection of counsel and all other matters involving litigation), and settle such Auto Liability Claims.
- 2. The Auto Liability Claims Injunction and Mandatory ADR Procedures.** In order to resolve their Auto Liability Claims and to receive payment on account of such Claims, each Auto Liability Claimant, whether or not such Claimant filed a proof of claim against one or more of the Debtors in the Chapter 11 Cases, must participate in the alternative dispute resolution procedures set forth on **Exhibit B** to the Auto Liability

Claims Settlement Agreement (the “**ADR Procedures**”). A copy of the ADR Procedures is attached hereto. All Auto Liability Claimants will be prohibited from litigating (in any forum), collecting, recovering, or receiving payment of, on account of or with respect to any Auto Liability Claims, from or against the Debtors, the Drivers, the Debtors’ estates, or from or against the Insurers until such ADR Procedures have been followed. Each Auto Liability Claimant **must** participate in the ADR Procedures and engage with the applicable Insurer pursuant to the ADR Procedures in a good faith effort to resolve such Auto Liability Claimant’s Auto Liability Claim.

3. **Payment on Account of Resolved Auto Liability Claims.** **Auto Liability Claimants shall not be entitled to receive any distribution or payment from any assets of the Debtors other than the Auto Liability LC Proceeds.** Auto Liability Claimants shall be entitled to receive up to 100% of the agreed upon, settled or judgment value of each such Claimant’s Auto Liability Claim from the Protective Auto Liability LC Proceeds and/or the U.S. Fire Auto Liability LC Proceeds (as applicable), and/or from the Insurers directly.
4. **Litigation After Unsuccessful Mandatory Mediation.** Should an Auto Liability Claimant fail to resolve its Auto Liability Claim after completion of the ADR Procedures, the applicable Insurer and the Auto Liability Claimant are required to file a joint statement with the Bankruptcy Court advising the Court that the mediation did not result in a settlement (an “**Unsuccessful Mediation Notice**”). Unless the Auto Liability Claimant and the applicable Insurer agrees to enter into additional mediation, arbitration or other alternative dispute resolution procedures as may be mutually acceptable to them, then within two (2) business days after the filing of an Unsuccessful Mediation Notice, the Auto Liability Claimant is then permitted to pursue any legally available remedy in the forum in which the Auto Liability Claim arose, so as to liquidate and fix the value of such Auto Liability Claim.
5. **Limitations on Litigation.** Should an Auto Liability Claimant decide to pursue litigation after the filing of an Unsuccessful Mediation Notice, such Auto Liability Claimant: (1) must bring such lawsuit within sixty (60) days after the Unsuccessful Mediation Notice is filed, ***provided, however, that the statute of limitations for such Auto Liability Claimant to bring such lawsuit did not expire prior to the Petition Date***; (ii) is prohibited from naming one or more of the Drivers as defendant(s) to such lawsuit; and (iii) may name one or more of the Debtors only as a “nominal party” with service of any such Summons and Complaint perfected on the applicable Auto Insurer.

In exchange for the resolution and complete satisfaction and payment, if applicable, of their Auto Liability Claims pursuant to the Auto Liability Claims

Protocol, Article X.B of the Combined Plan and DS provides the following release and injunction in connection with the Auto Liability Claims Protocol:

1. **Release of Auto Liability Claims Against the Debtors *et al.*** As of the Effective Date, all holders of Auto Liability Claims shall be deemed to grant a release of Auto Liability Claims in favor of the Auto Liability Claims Released Parties (Debtors, the Drivers, the Debtors' Estates, all Estate representatives, the Exculpated Parties, the Released Parties and the Liquidating Trust) *provided, however*, that Holders of Auto Liability Claims shall not be deemed to release their rights to include one or more of the Debtors as a "nominal" party to any future litigation against an Insurer in order to seek payment of such Auto Liability Claims from the Insurers and/or the Auto Liability Claims LC Proceeds, pursuant to the Auto Liability Claims Protocol. No Holder of an Auto Liability Claim shall be entitled to receive a Distribution from the Liquidating Trust on account of such Auto Liability Claim. *For the avoidance of doubt, Holders of Auto Liability Claims shall not be deemed to grant any release in favor of the Insurers upon or after the Effective Date, except as provided for in the Auto Liability Claims Protocol.*
2. **Auto Liability Claims Injunction.** Upon the Effective Date, all Holders of Auto Liability Claims shall be enjoined from taking any action, directly or indirectly, for the purpose of collecting, recovering or receiving payment or recovery with respect to an Auto Liability Claim until and unless each such Holders comply with the terms of the ADR Procedures. This Auto Liability Claims Injunction shall dissolve automatically with respect to any Auto Liability Claim two (2) business days after the filing of an Unsuccessful Mediation Notice for such Auto Liability Claim. Upon the filing of such Unsuccessful Mediation Notice, the Holder of such Auto Liability Claim shall automatically be deemed to have been granted relief from the automatic stay, the Injunction listed in Article X(C) of the Combined Plan and DS, and this Auto Liability Injunction for the limited purpose, if necessary, of listing one or more of the Debtors as a "nominal" party to any future litigation commenced by such Holder to seek payment of such Auto Liability Claim from the Auto Insurers and/or the Auto Liability Claims LC Proceeds, including any amount within the Self-Retention. *For the avoidance of doubt, no Holder of Auto Liability Claim, even after the Auto Liability Injunction is dissolved, shall be entitled to receive any Distribution from the Liquidating Trust Assets on account of such Auto Liability Claim. Holders of Auto Liability Claims shall only be entitled to receive payment on account of such Auto Liability Claim from the applicable Auto Insurer and the Auto Liability Claims LC Proceeds held by such Auto Insurer.*

ADR Procedures

A. Effectiveness of the ADR Procedures

1. The Plan shall provide and any Confirmation Order so order, that the alternative dispute resolution procedures described herein (the “ADR Procedures”) shall apply to all Holders of Auto Liability Claims whether or not such Holder has filed a proof of claim against one or more of the Debtors.

2. The Plan shall contain an injunctive provision (the "Auto Liability Claims Injunction") with respect to such Auto Liability Claims prohibiting any Holders of Auto Liability Claims from taking any of the following actions for the purpose of, directly or indirectly, litigating, collecting, recovering, or receiving payment of, on or with respect to any Auto Liability Claims, from or against the Debtors, the Drivers, the Debtors' Estates, all Estate representatives, the Exculpated Parties, and the Released Parties and/or the Liquidating Trust (collectively, the “Auto Liability Claims Released Parties”), or from or against the Auto Insurers, until such Holder participates in the ADR Procedures set forth in the Auto Liability Claims Protocol, including, but not limited to:

- a. commencing, conducting or continuing in any manner, directly or indirectly, any suit, action or other proceeding (including a judicial, arbitral, administrative or other proceeding) in any forum against or affecting the Auto Liability Claims Released Parties and/or the Insurers or any property or interests in property of the Auto Liability Claims Released Parties and/or the Insurers; and
- b. proceeding in any manner in any place with regard to any matter that is subject to resolution pursuant to the ADR Procedures, except in conformity and compliance with the ADR Procedures.

B. Initial Period of Mandatory Disclosures and Informal Discovery

3. Following the Effective Date, each Holder of an Auto Liability Claim — either individually or through its agents, attorneys and representatives — shall engage with the applicable Insurer in negotiations regarding the potential resolution of the Auto Liability Claim in accordance with the terms of the Auto Liability Claims Protocol. Those negotiations may include, without limitation, the informal exchange of requests for information and other discovery, as well as the assertion of rights, remedies, claims and defenses arising from or relating to the applicable Auto Liability Claim. The Holders of Auto Liability Claims and the Insurers shall engage in cooperative, informal exchanges and requests for information and other discovery, in a good faith effort to resolve the Auto Liability Claims.

C. Mandatory Mediation

4. If, after ninety (90) days from the Effective Date, an Auto Liability Claim has not been resolved and/or settled through the informal negotiation process, either the applicable Auto Insurer or the Holder of the Auto Liability Claim may file a written request with the Bankruptcy Court for the Auto Liability Claim to be referred to non-binding mediation (a “Mediation”).

Request”). Upon the filing of a Mediation Request by either party, the Auto Liability Claim shall automatically be referred to mandatory, non-binding mediation without further order or action of the Bankruptcy Court.

5. The mediation shall take place in Newark, New Jersey or in such a location as may be mutually acceptable to the parties and the mediator. After the filing of a Mediation Request, the Holder of the Auto Liability Claim and the applicable Auto Insurer shall cooperate in the selection of a qualified mediator. In the event that the Holder of the Auto Liability Claim and the applicable Auto Insurer are unable to agree on such a selection within ten (10) days, they shall jointly move the Bankruptcy Court to appoint a qualified mediator of its own choosing. Once a mediator is selected or assigned as provided herein, such parties shall schedule and complete mediation within sixty (60) days of such appointment (or such later date to which a Holder of Auto Liability Claim and the applicable Insurer may further stipulate). Following selection or assignment of a mediator, the parties and the mediator shall confer to determine which provisions of Local Bankruptcy Rule 9019-2, if any, shall be applicable to the mediation.

6. The applicable Insurer and the Holder of the Auto Liability Claim shall equally share the cost of the mediator’s fees and expenses. Such parties shall agree upon mutually acceptable mediation procedures in consultation with the mediator. All proceedings and writings incident to the mediation shall be privileged and confidential, and shall not be reported or placed in evidence. The ADR Procedures, and any disputes that may arise out of the same, shall be subject to the jurisdiction of the Bankruptcy Court.

D. Litigation After Unsuccessful Mandatory Mediation

7. Should mediation fail to resolve the Auto Liability Claim, the applicable Insurer and the Holder of the Auto Liability Claim shall file a joint statement with the Bankruptcy Court, with notice to Liquidating Trustee, advising the Court that the mediation did not result in a settlement (an “Unsuccessful Mediation Filing”), and within two (2) business days of the Unsuccessful Mediation Filing the Holder of the Auto Liability Claim shall be permitted to pursue any legally available remedy, so as to liquidate and fix the value of such Auto Liability Claim. The Debtors believe that the Releases, in the context of the Chapter 11 Cases and the Joint Combined Plan and Disclosure Statement, are permissible under applicable law even without the consent of the releasing parties.

Further, this release shall not release potential claims that may arise from future transactions and occurrences between the parties. This release shall be effective only upon (i) payment in full of the Cash Payment, (ii) the repayment of any distribution in respect of Pledged Claims referenced in Section 5 of the Equity Holders and Affiliates Settlement, and (iii) the assumption of debt referenced in Section 4 of the Equity Holders and Affiliates Settlement.***

Certain terms in the Release in Article X(B)(2) are defined in the Joint Combined Plan and Disclosure Statement as follows:

ITEM 3. RELEASES

IMPORTANT INFORMATION REGARDING THE RELEASES CONTAINED IN THE JOINT COMBINED PLAN AND DISCLOSURE STATEMENT

CONFIRMATION OF THE JOINT COMBINED PLAN AND DISCLOSURE STATEMENT WILL CONSTITUTE THE BANKRUPTCY COURT'S APPROVAL OF THE RELEASE PROVISIONS PROVIDED THEREIN AND YOU WILL BE DEEMED TO HAVE COMPLETELY, CONCLUSIVELY, UNCONDITIONALLY, AND IRREVOCABLY RELEASED THE RELEASED PARTIES FROM ANY AND ALL CLAIMS/CAUSES OF ACTION TO THE EXTENT PROVIDED IN ARTICLES X(B)(2) AND X(B)(3) OF THE JOINT COMBINED PLAN AND DISCLOSURE STATEMENT.

Articles X(B)(1) and X(B)(2) of the Joint Combined Plan and Disclosure Statement includes certain releases from the Debtors' creditors, interest holders, and other parties in interest in favor of certain specified parties (the "**Released Parties**")³ that will be granted to the fullest extent permitted by applicable law (such releases, as set forth in Articles X(B)(1) and X(B)(2), collectively, the "**Releases**"). As a creditor of the Debtors, you should read Articles X(B)(1) and X(B)(2) carefully as they may affect your rights by releasing claims that you may hold against the Released Parties. The Debtors believe that the Releases, in the context of the Chapter 11 Cases and the Joint Combined Plan and Disclosure Statement, are permissible under applicable law even without the consent of the Releasing Parties.

Specifically, the Release in Article X(B)(1) of the Joint Combined Plan and Disclosure Statement provides:

Releases Pursuant to the Auto Liability Claims Protocol. As of the Effective Date, all Holders of Auto Liability Claims, in accordance with the Auto Liability Claims Protocol, shall be deemed to grant a release of Auto Liability Claims in favor of the Auto Liability Claims Released Parties provided, however, that Holders of Auto Liability Claims shall not be deemed to release their rights to include one or more of the Debtors as a "nominal" party to any future litigation against an Auto Insurer in order to seek payment of such Auto Liability Claims from the Auto Insurers and/or the Auto Liability Claims LC Proceeds, pursuant to the Auto Liability Claims Protocol. No Holder of an Auto Liability Claim shall be entitled to receive a Distribution from the Liquidating Trust on account of such Auto Liability Claim. For the avoidance of doubt, Holders of Auto Liability Claims shall not be deemed to grant any release in favor of the Auto Insurers upon or after the Effective Date, except as provided for in the Auto Liability Claims Protocol.

Additionally, the Release in Article X(B)(2) of the Joint Combined Plan and Disclosure Statement provides:

1. ***Release of Equity Holders and Affiliates. Except as expressly set forth in the Equity Holders and Affiliates Settlement, in consideration of the representations, warranties, and promises contained herein, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Debtors, the Committee, the Estates, all Creditors, whether or not any such Creditor filed a Proof of Claim against one or more of the Debtors and/or is entitled to receive any Distribution pursuant to the Plan and/or the Auto Liability Protocol, the Debtors' employees, insurers and brokers, the Liquidating Trust, and all other parties in interest in the Chapter 11 Cases, and their respective representatives, agents, predecessors, successors, and assigns (collectively the "Debtors Releasing Parties"), hereby remise, release, and forever acquit and discharge each and all of the Equity Holders and Affiliates, and their officers, directors, shareholders, members, managers, agents, employees, attorneys, and representatives (the "Equity Holder and Affiliates Released Parties"), of and from any and all manner of acts and actions, cause and causes of actions, arbitrations, mediations, conciliations, dues, sums of money, reckonings, bonds, bills, specialties, contracts, controversies, variances, trespasses, damages, judgments, executions, rights, claims, demands,***

³ The Released Parties include, as defined in the Joint Combined Plan and Disclosure Statement: the Auto Liability Claims Released Parties and the Equity Holders and Affiliates Released Parties. Certain persons or entities may be included in more than one group.

suits, proceedings, debts, accounts, warranties, covenants, liabilities, agreements, and promises of any nature whatsoever in law or in equity, whether known or unknown, whether sounding in tort or contract or any other basis, that the Debtors Releasing Parties have, have had, or may at any time hereafter have against the Equity Holder and Affiliates Released Parties in any capacity, for, upon, or by reason of any matter, cause, or thing whatsoever, in any way relating to one or more of the Debtors, the Estates, the conduct of the Debtors' business, the Chapter 11 Cases, the same subject matter as the Claim held by any Creditor against one or more of the Debtors, or this Combined Plan and Disclosure Statement (other than the rights under this Combined Plan and Disclosure Statement and the Plan Documents); provided, however, that this release shall not extend to and is not intended to release any mortgage directly owed by any of the Equity Holder and Affiliates Released Parties on real property such Equity Holder and Affiliates Released Parties own that was formerly used or occupied by the Debtors in their business operations. Further, this release shall not release potential claims that may arise from future transactions and occurrences between the parties. This release shall be effective only upon (i) payment in full of the Cash Payment, (ii) the repayment of any distribution in respect of Pledged Claims referenced in Section 5 of the Equity Holders and Affiliates Settlement, and (iii) the assumption of debt referenced in Section 4 of the Equity Holders and Affiliates Settlement.

Certain terms in the Releases in Articles X(B)(1) and X(B)(2) are defined in the Joint Combined Plan and Disclosure Statement as follows:

Auto Liability Claims: *means all claims against the Debtors for personal injury or property damage, whether arising before or after the Petition Date, relating to or arising out of the Debtors' trucking and transportation operations, which are covered by or subject to the Excess Indemnity Contracts (as defined in Article II(C)(8)(f)(e) of this Combined Plan and Disclosure Statement).*
